Reference

My dear Bradshaw,

I am obliged for your letter of the 10th instant in regard to the fees charged in respect of the machinery of the "CITÉ DE LEVIS", Glasgow Report No. 50653.

On looking into this matter, I find that the Surveyor made a mistake in calculating the fees and that three-fifths of the survey fee, viz:- £39. 18. 0, should have been charged to the ^{Makers.} Engine/An amended account has accordingly been rendered to-day for this amount and will be paid in due course.

Will you kindly amend the entry on the report accordingly?

With kind regards,

Yours sincerely,

C.H. Bradshaw, Esq.,
LONDON.
