25th June, 1930.

Dear Sir,

M.

With reference to Glasgow report No. 50601 in respect of the freeboard assignment for the Ferry Steamer "CITE DE LEVIS", Messrs. Napier & Miller's No. 274 ship, I have to request that the Surveyors will give full particulars of the sheathing on the 2nd deck, and forward a plan showing details of the windows or other openings in the sides between the upper and second decks.

The two plans forwarded for reference are being retained, pending receipt of the above information.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
