QUESTION.

ANSWER.

Date:— BERGEN, 24th January, 1951.

With reference to the entry in the Special Reasons List, I shall be glad if you will ascertain and let me know what arrangements the Owners propose making for fractured shell plate F2 (starboard side aft) to be specially examined, as recommended by the Hull Surveyors in January 1950.

The owners state this vessel has been sold to German buyers and will be drydocked in February in a North European port when the vessel will be transferred to the new owners and outstanding matters attended to.
