Dear Sir:-

Your letter of the 17th. September to hand re  
First Entry particulars of the S. S. "Alaska", in reply to  
which please note that the framing in the boiler space is as  
approved, and that there are 6 webs in Nos. 1-2, 4-5 hatchways  
as shown on the profile, the figure 5, as stated, being a  
clerical error.

The height of the brackets outside the margin plate  
is 5feet 5 inches.

Your letter of 11th. September also to hand regarding  
the freeboard certificates of this vessel, these certificates  
were forwarded to the London Office on the 16th. September, and  
we trust they are now to hand.

*Scheduled
