Survey Due Boiler Survey due 6,48.
Special Survey due 2,49. ✓

In December last the Rio de Janeiro Surveyor stated it was the Owners' intention to stop the vessel within a few weeks to replace the engines and boilers by diesel machinery. In the circumstances the Committee agreed to a further postponement of the Boiler Survey.

In reply to enquiry the Rio de Janeiro Surveyor now states in a letter dated the 28th ultimo that the Boiler Survey would be carried out within a few days. The Owners add that the vessel will be taken out of service in about 6 months' time for conversion from steam to diesel machinery when the Special Survey will be carried out. (Safel)

Submitted that provided the vessel is generally examined and found or made efficient for the proposed deferment the proposal might be approved
