ALDWELL.
ENGINEER SURVEYOR.

Dear Sir,

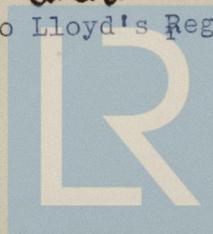

In reply to your letter of the 7th instant respecting the Boiler Survey of the steamer "GUARAPUAVA", I have to inform you that the owners state that this vessel will be in Santos within the next few days when this survey will be carried out.

They further state that this vessel will be taken out of service in about six months time for the conversion from steam to Diesel machinery, when the Special Survey will also be dealt with.

Yours faithfully

Surveyor to Lloyd's Register of Shipping.

THE SECRETARY,
LONDON.
