

COPIFAIR LETTER.

10th December, 1948.

Dear Sir,

I am in receipt of your letter of the 1st instant respecting the tanker "PETRONAVE 1" and with regard thereto I have to inform you that in the circumstances the Committee are agreeable to the renewal of the screwshafts and the starboard propeller being postponed until the end of April, 1949. I shall be glad if you will inform the Owners accordingly.

In view of the remarks contained in your memorandum of the 5th ultimo it is concluded that the Modified Survey of the Oil Engines will shortly be carried out and I may say that your report on this inspection is now awaited.

With reference to your letter of the 4th August last respecting the steamer "GUARAPHAVA", I shall be glad to learn how this case stands in view of the fact that the Boiler Survey became due in June last.

Yours faithfully,

Clerk to the
Classification Committee.

M. Caldwell, Esq.,

RIO DE JANEIRO.
