

5 MAY 1945

"GUARAPUAVA".Rpt. Rio. No.3791.

It is submitted before this case receives consideration the Surveyor be requested by cable to state whether the thicknesses of the shell plating reported refer to the raised quarter deck sheerstrake G and four strakes below amidships and aft and the upper deck sheerstrake F and four strakes below forward, as no strake H has been originally fitted in the vessel.
