17 BATTERY PLACE,

NEW YORK

April 30th, 1926.

LLOYD'S REGISTER
Recd. 10 MAY 1926

And,

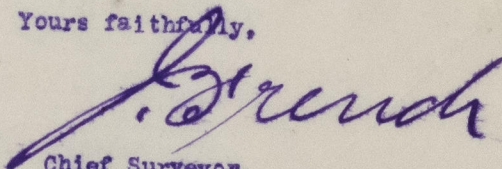

LONDON

Dear Sir:-

With reference to the entry dated 12th April, 1926 amounting to \$250. in New York Transcript of Rough Fee Book for the survey of the auxiliary engines of the Steamer "E. T. BEDFORD", I think it well to inform you that New York Report No. 26211 is being retained here, pending the installation of the machinery, but it was thought well to render the account now to the Builders for this service.

I am, Dear Sir,

Yours faithfully,

Chief Surveyor,
U.S.A. & Canada.

The Secretary,
LONDON.
