REPORT

Gdy.

No. 3059

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement. — Extract from Sub-Committee's Report, 24/5/42.)

For conditions of class see previous endorsement.

The GDYNIA Surveyors report (4.49) the ship examined in dry dock, bottom coated and a few repairs effected.

The indented stem and shell plating, as above, specially examined and recommended to be dealt with at Owners' convenience.

IT IS SUBMITTED this ship is worthy to remain as classed with record of docking 4.49, without special conditions but with endorsement of class.
