ANSO.....

Dear Sir,

s.s. "KUPHUS"

Further to our letter of the 28th August last with reference to classification surveys on the above ship, we are now in a position to advise you the vessel arrived at Gibraltar toward the end of last month and has since taken up her station as an oil storage hulk. Having in view her present class expires at the end of the present month, and as she is being retained at her present port indefinitely it has been decided to withdraw her from class as from the 31st instant.

"Your confirmation in due course that the ship has been taken out of class at Owners request will be appreciated as well as keep our record in order."

Yours faithfully,
THE ANGLO-SAXON PETROLEUM CO., LIMITED
