Dear Sir,

S/S "BOMBARDIER"

We have your favour of the 1st inst.,

The letter in question was written by our Consulting Engineer and really had reference to the matter of the Midship Section plan.

With regard to the Survey we are sorry but we have really nothing to do with it. We believe it is the intention of the Buyers, if eventually taken over, to put her through Survey in ITALY but as to this we cannot now say. We have done our best as to this as previously mentioned.

Yours faithfully,
