Messrs. Lloyds Register of Shipping,
NEWCASTLE-ON-TYNE.

Dear Sirs;

S.S. "BOMBARDIER".

We have your favour of 21st inst., and note contents, and are rather at a loss to understand the meaning of same, and why it should be sent to us.

We altered, as you are aware, about thirty of these vessels and placed them all in Lloyds Register, the arrangement made being that the surveys 1; 2; 3 and 4 became due 4, 8 and 12 years respectively from the date of the conversion, and the certificates have been issued for all of the ships and the particular point mentioned in your letter has never been raised until now.

Yours sincerely;
