ENCLOSURE.

25th October, 1921.

Dear Sirs,

I send herewith Sunderland report No.27904 on the steamer "BOMBARDIER" and ^{have} to request that Mr. Wray will be so good as to state whether in view of the amount of work carried out at Dundee when this vessel was converted into a cargo carrier and classed with this Society, he is of opinion that the survey then held might be considered as a Special Survey No. 3 in order that the first Special Survey No. 1 might be dated from the completion of his inspection.

The enclosed report should of course be returned to this Office with Mr. Wray's reply.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
