FOR LLOYD'S, LONDON.

The Secretary,

Lloyd's Register of Shipping,

71 Fenchurch Street,

L o n d o n .

Dear Sir,

"LURGURENA".

Under covering letter dated September 15th, the Surveyors, Sydney, forwarded us your "H" Form dated August 7th, in connection with the surveys of the above steamer's Aft and Forward Screw Propellers.

The steamer is now being run by the Commissioner of Railways as a Ferry across the River Derwent between Hobart and Bellerive, and we have received the following advice from the Department, viz :-

" In reply to your letter of 21st ultimo I desire to say that it is not intended to keep the "Lurgurena" in class at Lloyd's. Therefore it will be unnecessary to have the examinations carried out referred to in your letter. Thanking you for bringing the matter under notice. "

You will doubtless advise us if we can prove of any further assistance.

Yours truly

W. Crosby & Co.
