Dear Sir,

In reply to your classing letter of the 22nd ultimo regarding the tram ferry "Dolores de Urquiza", we have to advise you that we are informed by the owner's superintendent that a new rudder head has been made & is now awaiting a suitable opportunity to be fitted in place.

As advised in our letter of the 28th instant it is not the owner's intention to retain this vessel in her class.

We are, Dear Sir,

Yours faithfully,

The Surveyors.
