due 12-months' limit on I.P. & L.P. Cylinders (to examine) expired 6,22.

On the 19th ultimo the Queenstown Surveyor stated he had written to the Owners regarding the above matter, but had not received a reply, and he added that railway trains had not been running between Cork and Limerick direct for some time past and that telegraphic and telephonic communication had been very uncertain

In the circumstances the Committee deferred consideration of the case for a short time.

A letter, dated the 31st ultimo, has now come to hand from the Queenstown Surveyor, in which he writes:-

"A letter dated the 26th inst. has been received to-day from the Owners of the vessel and they say that the cylinders can be inspected at practically any time and if a few days' notice is

iven they will be able to have everything prepared for me when
intend visiting Limerick.

"I have made enquiries and find that there is still no
railway service between Cork and Limerick and, in view of this,
have informed Messrs. James Bannatyne & Sons Ltd. that, if the
railway is open on my return from holiday on the 19th proximo, (August)
will arrange to travel to Limerick and make the required inspec-
tion about the middle of the following week."
