LLOYD'S REGISTER
Recd. 10 JAN 1927

AM 2X LONDON 2017

Dear Sir,

Reverting to your letter of the 1st December, 1926,
and previous correspondence regarding the Donkey Boiler
Survey on the s.s. "GLÜCKAUF" ex "Rondo" I am now in receipt
of a letter from the Owners, dated 3rd January, 1927, in which
it is stated that the Boiler Survey has been carried out by the
German Boiler Authorities and that it has been decided to
class the vessel with the Germanischer Lloyd.

In the last paragraph the Owners desire that due
notice should be taken of the information now sent which
should be interpreted as an expression of their desire to
withdraw the vessel from Classification in the Society's
Register Book.

The original letter from the Owners is attached.

I am, Dear Sir,

Yours faithfully

A. Christopher

The Secretary,

LONDON.

Reverting to the letter of 20th October, I have the honor to thank you

for your kind "explanation" of the "objection" you have to my having to do my best to make the best possible use of your letter to the Board of Trade, and to state that if the Board of Trade does not accept my letter, I will have to go to the Secretary of State for better results.

I am, Sir, with every respect, your very obedient servant,

John G. Hanbury,
1st September, 1927.

Also for Mr. S. A. Hill.
