S

Dear Sirs,

I beg to acquaint you that the General Committee have today had before them the case of the motorship "CALTANURA", referred to in your letter of the 9th July last addressed to the Society's Surveyors at New York, from which it is noted that you have instructed your Arabian Field not to have the Modified Survey of this Vessel's Oil Engines carried out.

In the circumstances the Committee have decided to give instructions for the vessel's character to be withdrawn from the Register Book and Three Dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

Messrs. California Arabian Standard Oil Company,
