Attention: Principal Surveyor.

"CALTANURA"

Gentlemen:

Please refer to our letter of March 20th, 1940, requesting you to proceed with the arranging for the modified survey of our Motor Tug "CALTANURA". As mentioned in our letter to you, and under the same date, we addressed our Arabian Field advising them to make arrangements for the survey.

We have just been advised that a representative at Bahrein is not available for this service, and to have the survey made would mean bringing a man from either India or Basrah, and that the cost of such survey would greatly exceed the maximum of \$60. which we authorized.

We have, therefore, instructed our Field not to have this survey made.

Yours very truly,

CALIFORNIA ARABIAN STANDARD OIL COMPANY.
