31st January, 1927.

Surveyor to Lloyd's Register of Shipping,

Bordeaux.

S.S. "COMBO".

Sir,

This steamer is specially affected to our Bathurst business (English Gambia) and she is only employed in the River service there.

Her return to France in 1925 for repairs was an exception as she never leaves the Colony.

We are forwarding your letter to our Gambia Branch Office with a view to satisfaction being given to you.

Yours etc...
