(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/22.)

Nature of Survey \_\_\_\_\_

Boiler Survey

When due \_\_\_\_\_

10.26

The Boiler Survey became due at the end of 10.26.

The Naples Surveyors have forwarded ~~me~~ a letter from the Owners in which they state that in view of the trade in which the vessel is engaged they do not consider it necessary to continue the class of the vessel with this Society.

It is submitted the vessel's class be omitted from the next re-print of the Register Book.
