Dear Boyden

B.C. form LLUC Review

is enclosed for your information.

Kindly return in due course.

Yours sincerely

H. J. Thompson

P.S. In connection with a question  
of timber landlines (WNA in particular)  
I wonder if you could oblige us with

a copy of the LL Corporation for the

Radfield Ex Kostorena <sup>in 1933</sup> We have a copy

of your Computation <sup>in 1933</sup> but as copyright  
alternatives a typescript of the above assignment  
would suit.
