

DEDUCTION FOR SUPERSTRUCTURES.

2m.12.32.

FREEBOARD REPORT on the

Radfield
Timber Deck cargo

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval.

The Surveyors should be advised that the ordinary cargo freeboards are not affected by the alterations to the freeboards, but the as those previously assigned under the 1906 regulations remain more favourable. The timber deck cargo freeboards, however, are affected and should be amended on the ship's side. Their verification of marking form is avoided.

board line renewal survey due.

Amended timber deck cargo freeboard.
