Dear Sirs,

Motorship "ANGELINA MANCINO"

I acknowledge the receipt of your letter of the 11th instant and note your comments.

It is appreciated that the vessel is now undergoing a Classification Survey by the Registro Italiano, but before submitting the Owners' request to the Committee, I am requested by the Chairman to say he considers it will be very helpful if it is practicable to inform the Members that the repairs recommended in Genoa report No. 23716 are being effected in conjunction with the present survey. I shall, therefore, be obliged if you are able to furnish me with any information that may be available on this point.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
GENOA.
