Dear Sir,

M.s. "ANGELINA MANCINO" (ex "BRITANNIA")

With reference to your letter of the 24th ultimo, the contents of which were duly communicated to the Owner, Mr. Biagio Mancino, of Naples, we are in receipt of a letter from him informing us that this vessel is at present carrying the first Classification Survey with the Registro Italiano at Torre del Greco, where all the repairs requested by that Institute during the Classification Survey will be done.

In the circumstances, he requests that the notation: "Class expunged for reported defects" decided by the Committee be reconsidered in view of what stated above, and changed to:- "Class withdrawn at Owner's request".

The Registro Italiano confirm that this vessel is now undergoing the First Classification Survey with them at Torre del Greco.

Yours faithfully,

(A. Grasselli)
