Motorship "BRITANNIA"

Mr. Amos of Harley, Mullion & Co. Ltd. telephoned this afternoon and stated they were experiencing difficulty in completion of the sale of this ship.

The Malta Surveyor was holding his certificate pending a satisfactory trial trip and the Owners have no crew available. The purchasers' crew cannot arrive until the purchase is completed.

The case was discussed with Mr. Rundle who agreed that we could accept a trial of the machinery and the steering gear alongside.
