Dear Sir,

"BRITANNIA"

With reference to recent correspondence regarding the completion of the Special Survey on this ship I should be pleased to know if the docking for completion of the Special Survey has been carried out previously. The Owners state that this was done in Naples in October, 1957 and that all bottom plating repairs for S.S. were dealt with at that time.

The Owners have not yet indicated when they intend commencing the repairs recommended by Mr. J.D. Sutherst during his recent visit to this port.

Yours faithfully,

 (W.J. Hipwell)
Surveyor, Malta.

The Secretary,
