Date _____

This is to Certify that I have
surveyed the M.V. "BRITANNIA" 646 gross tons of Malta whilst afloat
in this Harbour for the purpose of ascertaining that she is in a
satisfactory condition for one voyage in a light condition from Malta
to Naples,

that I am transmitting to the Committee of Lloyd's Register of
Shipping, London, a Report, stating that all repairs recommended by
me have been completed to my satisfaction, also that I am
recommending that she be ~~that~~ that the record of "Surveys Overdue 10/57"
be continued in the Supplement to the Register Book.

From examinations now made, I am of the opinion that the vessel
is in a satisfactory condition to proceed in a light condition from
this port to Naples. It being understood that the ship's class will
be in temporary suspension during the voyage from Malta to Naples.
