3rd July 1920.

Dear Sir,

With reference to Glasgow First Entry Report No.40105, on the S.S. "JELICOE ROSE", and to the pencilled note which has been inserted above the fees to the effect that the machinery was "constructed as to 75% under Controller", I shall be glad if you will kindly let me know what percentage of the work was completed on the engine and boilers of this vessel up to the date of transfer to private ownership, and whether the specification duties were carried out to the completion of the order after the transfer.

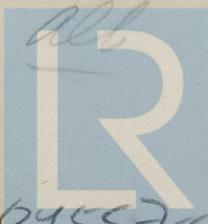

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
