Dear Sir,

We beg to acknowledge receipt of your letter of the 21st ult. relating to the annual Boiler Survey of the Spanish steamer "MARIATI".

As this vessel is owned at Santander we communicated with the Owners by letter so as to avoid delay and expense in visiting Santander personally, and I enclose herewith a translated copy of our letter to the Owners of the 26th ult. together with their reply of the 27th ult. which we have received to-day.

They state that as they are obliged to have this vessel classed with the Comandancia de Marina they do not care to go to the expense of 2 surveys, and they therefore do not propose to continue in Lloyd's Register Class.

We are, Dear Sir,

Yours faithfully,

The Secretary
