BILBAO 26th November 1928

Sirs,

With reference to the Classification of your steamer "MARIAMI" in this Society's Register Book we beg to inform you that Boiler Survey on this vessel was effected in August 1927.

In accordance with this Society's Rules the Boiler Survey to be effected every year and in the case of your steamer "MARIAMI" annual Boiler Survey became due in August 1928.

We shall therefore be pleased if you will kindly advise when and at what port you can make definite arrangements for this vessel to be submitted for Boiler Survey by one of this Society's Surveyors.

This Society have Surveyors stationed at Bilbao, Cadiz and Barcelona and immediate attention ^{should} ~~will~~ be given to the effecting of this Boiler Survey.

We observe that the above vessel is now at Bilbao and would suggest that this would be a good opportunity to effect this survey now and thus save time and expense.

We are, Dear Sirs,

Yours faithfully,

sgd. W.B. Engledow,

For the Surveyors.
