Lloyd's Register of Shipping
Apartado 286
BILBAO.

S.S. "MARIAMI".

Dear Sirs,

With reference to your letter of the 26th inst. regarding the annual Boiler Survey of this vessel which became due in August.

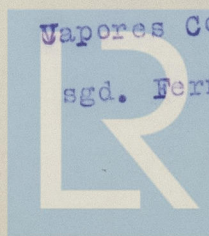

When we purchased this vessel the Boilers were surveyed, tested and repaired in the presence of one of your Surveyors and as already said to your London Office, we understood that the Boiler Survey would not become due until the month of December, if what was done at Greenock has value.

As this vessel has been surveyed by the Spanish Authorities when the vessel was placed under the Spanish Flag we regret to inform you that it is not to our interest to continue in Lloyd's Register Class, as we are also obliged to have this vessel inspected by the Comandancia de Marina annually we cannot stand the expense of two surveys.

We are, Dear Sirs,

Yours faithfully,

Vapores Costeros S.A.
sgd. Fernando Garcia.
