Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosures.

21st November, 1928.

Dear Sirs,

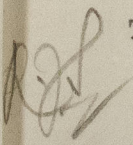

I think it well to enclose herewith copies of correspondence which has passed between the new Owners and the Steamer "MARIAMI" and this Office relative to the Boiler Survey which became due in this case in August last.

It is apparent therefrom that the Owners do not fully understand the application of the Society's Rules, and in the circumstances I shall be glad if you will kindly take advantage of the earliest convenient opportunity to call upon them, explain the position and endeavour to arrange for the outstanding survey to be held.

I may add that I am writing to the Owners, and informing them of the course suggested.

I am, Dear Sirs,

Yours faithfully,

 The Surveyors,

BILBAO.

Clerk to the
Classification Committee.
