71, Fenchurch Street, E.C. 3.

5th April, 1922.

Dear Sirs,

Reverting to your letter of the 30th December last respecting the steamer "GLORIA", I shall be glad to learn, for the information of the Committee, what further definite arrangements the Owners propose making with a view to the survey of this vessel's screw shaft being carried out.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

BILBAO.
