Owners: Societe Anonyme de Gerance et d'Armement

The Owners state that for personal reasons they have decided to withdraw these three vessels from the Society's Classification.

The Classing Committee had the cases before them on Friday, 7th instant, and in the circumstances they decided to give instructions for the character of each vessel to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

Handwritten initials

13th December, 1928.
