

Steamer "TANFIELD"

Mr. Key one of the Owners's Superintendents has telephoned that some boiler tubes for this vessel have been manufactured by the Midland Ore and Hardwear Company (Cradley Heath) Ltd., and it is desired that these tubes shall be tested by the Society's Surveyors.

Mr. Key has been informed that the necessary instructions will be sent to the Birmingham Surveyors and he is requesting the tube makers to get in touch with the surveyors concerned.
