71, Fenchurch Street, E.C.

Enclosure.

4th April, 1917.

Dear Sirs,

A. I have to send herewith for your information and guidance in completing the survey, the first entry report on the two single carbonic anhydride refrigerating machines which have been constructed at the Works of Messrs. The Haslam Foundry & Engineering Co., at Derby, under the special survey of the Surveyors at this port, for the new S.S. "MONTILLA", Messrs. Russell & Co's 693 vessel, and shall be glad if you will give the case the necessary attention.

On completion of the survey you will be good enough to render an account for the total fees and expenses, as noted on the report, to the Owners of the vessel who signed the special survey request form for the survey of the refrigerating appliances, and on payment credit this Office with  $\frac{1}{3}$  of the fee, viz:- £6 and the expenses incurred here, viz:- £11:11:10, or a total of £17:11:10.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
GREENOCK.
