Letter sent from Haren-Groningen, 9th November 1938.

Dear Sir,

Yard No. 204 v.d. Werff's Scheepsbouw.-

I enclose herewith request form la of Messrs.
v.d. Werff's Scheepsbouw at Westerbrook, and shall be
pleased receiving your authorisation of survey.

I may say that the proposed building of their
yard No. 204 shall be a sister ship of their yard No. 202.
Supposing that the approved plans of their yard No. 202
can be used for their yard No. 204 no fresh plans will
be submitted for approval. The Rotterdam Office has been
advised accordingly.

Trusting that you may agree to the arrangement
above.

I am, Dear Sir,

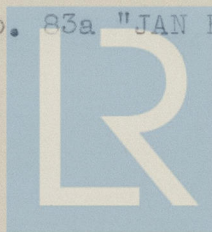

Yours faithfully,

1 enclosure.

The Secretary,

London.
