Dear Sirs,

m/s. "PELAYO" - (Off. No. 181 741 - Call Sign GYWM)

This vessel sank about 8 months ago after striking the breakwater at Salerno (Italy). She is now refloated and is lying at La Spezia and owned by an Italian salvage company.

We should very much appreciate hearing from you soonest possible whether you have put up a survey report concerning the damages, and if so, if it is available for perusal. We shall then obtain from the new owners permission to ask you for a copy.

We await with interest your reply.

Yours faithfully,
for CONRAD BOE LTD. A/S
