Postponements  
already agreed.....

On 17.5.60., the ship being laid up, the Committee agreed to the class remaining undisturbed provided the outstanding surveys were held before the ship again proceeded to sea.

New proposal.....

The ship is shortly to be drydocked at Cardiff and the Owners' Agents request extension of class for a period of 6 months without opening up the machinery or carrying out the Donkey Boiler Survey. The ship has recently been purchased by an Italian Owner and will proceed from Barry to an Italian port where it will be transferred to R.I. classification. The Cardiff Surveyors request instructions regarding the case.
