18th July, 1960.

The Secretary,
Messrs. Lloyd's Register of Shipping,
71, Fenchurch Street,
E.C.3.

Dear Sir,

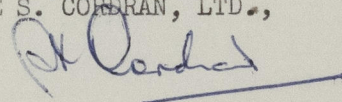

S/S "TINTERN ABBEY"

We herewith beg to make application, on behalf of Messrs. EMILIO CANALE, Shipowners, for an extension of class for six months, and shall be glad if you could grant this extension without opening up machinery, or dealing with the Donkey Boiler which has been installed on board three years ago, and has not been in service.

The vessel will be drydocked shortly in Cardiff, when the bottom and under-water parts can be examined.

It is our intention to convert this vessel to oilburning immediately on arrival in Italy, and therefore we are anxious to do the minimum amount of work at the present moment.

Yours faithfully,
HORACE S. CORDRAN, LTD.,
