Dear Sirs,

Steamer "TINTERN ABBEY"

ssn.(H)

With reference to your memorandum of the 22nd May, it is concluded this vessel is still laid up.

The Owners' attention should be drawn to the Screwshaft Survey, which becomes due at the end of September next.

I have also to refer to Circular No.2140 relating to the Society's amended Rules covering Boilers. The last Donkey Boiler Survey date recorded in this case is May, 1957, and it is concluded a further Donkey Boiler Survey will be dealt with before the ship again proceeds to sea.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
CARDIFF.
