OWNER OF THE S.S. "ISA VIGO"

Salita S. GIOVANNI 1

GENOA

Genoa, 20th August, 1951.

Dear Sirs,

s.s. "ISA VIGO" ex "TAARNHOLM"

We refer to your letter of the 24th July ultimo.

You are aware that according to Italian Law the above Vessel must be classed with the Registro Italiano.

As this Vessel is only a small one, and her general expenses very high compared to the freights which might be realised, and is therefore run on a strictly economical basis, I am unable to undertake the expense of the maintenance of the two classes.

I, therefore, regret to have to inform you that it has been decided to give up classification with your Society.

Yours faithfully,

ARMATORE S.S. "ISA VIGO"  
(Ing. F. Vigo)
