Dear Sir,

I enclose a copy of a letter which has today been addressed to the Society's Surveyors at Copenhagen in connection with the Steamer "ISA VIGO" ex "TAARNHOLM", together with a statement setting forth briefly the circumstances of the case.

I shall be glad if you will inform the new Owners accordingly, advising them that if further class maintenance is desired beyond the end of September next, the Special Survey and other outstanding classification requirements must be dealt with. In addition I shall be obliged if you will kindly inform the Registro Italiano similarly in order that they may be in full possession of the facts.

Yours faithfully,

Clerk to the  
Classification Committee.
