Enclosure.

H.

Dear Sir,

With reference to your letter of the 18th October last respecting the steamer "MECANICIEN MOUTTE", we beg to forward herewith a letter which has been received from the Owners informing us that the vessel will shortly be handed over to another firm of Shipowners at Marseilles who do not desire to retain the classification in the Society's Register which consequently terminated on the 28th instant and that she is now classed in the Bureau Veritas.

The Owners are unwilling apparently to disclose the name of the firm to whom the vessel is to be ceded but it is understood that the reference is to the Cie. Nouvelle de Navigation Busck with whom the Cie. de Navigation Mixte are believed to be associated.

We shall advise you as soon as we have obtained the name of the new Owners.

We are, Dear Sir,

Yours faithfully.
