Dear Sirs,

I wish to confirm that the "Degei II" has now been taken over by us and is in operation.

For all practical purposes, the vessel arrived here undamaged although there were four minor items which we have repaired ourselves and for which the builder agreed to accept responsibility. A copy of my letter of the 19th November, 1958 to the Pacific Islands Shipbuilding Co.Ltd. is attached.

Your reference to the Solomon Islands is not quite clear as the vessel's trading area lies mainly in the Fiji Islands, and this is something you may be able to clarify for me.

Yours faithfully,

See amended endorsement 23/10/58 / 5/2/59

for Director of Public Works.

Enclosure:

Copy of letter to Pacific Islands Shipbuilding Co.Ltd. dated 19.11.58.
