Dear Sirs, Ans'd.....

t.t. "CRISTINA d'AMICO"
Dual Class LR/RI

This vessel has now completed most of the surveys that were intended to be carried out at this port and, for your information, we enclose copies of the Interim Certificates. Referring to your letter of the 2nd August to following surveys remain to be done.

- 1... Main Boiler Survey
- 2... ~~L.P. Donkey~~ Boiler Survey
- 3... Docking Survey
- 4... Annual Load Line Survey
- 5... Annual Survey of Cargo Derricks

S S Gen.

Although all the requirements for a Load Line Survey were complied with at this time it was considered desirable to carry out this survey in dry dock and it is now proceeding to Spezia for this.

The Cargo Derricks were examined but as no Cargo Gear Register is on board we refrained from issuing any certificate and this should also be dealt with at Spezia.

Yours faithfully,
for the Surveyors

The Surveyors,
GENOA.

c.c. The Secretary, London.
