Dear Sirs,

"FIREBEAM"

With reference to the classification in the Society's Register Book of this vessel, it will be noted that this is qualified with the notation "Surveys Overdue 8,61".

She was laid up for some time at Gothenburg, and the Surveyors now state the hull has been sold to Messrs. Portland Cement, Oslo. The boilers and machinery were removed at Gothenburg prior to her departure for Oslo.

In the circumstances I shall be glad if you will ascertain and let me know by return what is the present position regarding this case.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
OSLO.
