For the attention of Mr. W.A. Robinson

Dear Sirs,

Re: s.s. "FIREBEAM"

We confirm our telephone conversation of this afternoon in which we informed you that the above vessel will be towed to Gothenburg and not Holland as is stated on the certificate of seaworthiness for towage.

As the new owners of this vessel we should be obliged if you would kindly alter the certificate for towage to Gothenburg.

We should be obliged if you would kindly place the new certificate on board the vessel and remain, dear Sirs,

Yours faithfully,
